

# 1st Conference of Chinese Pediatric Interventional Pulmonology Society

## Program

2017.03.03 ( Friday ) Movie Room of Shandong Hotel

08:00 ~ 08:30	<b>Opening Ceremony</b>		
<b>Symposium I : Team Building of Pediatric Respiratory Endoscopy Host: Liu Xicheng Anne Goh</b>			
08:30 ~ 09:00	History of Pediatric Respiratory Endoscopy	Liu Xicheng	Beijing Children's Hospital
09:00 ~ 09:30	Respiratory Endoscopy and Multidisciplinary Cooperation	Meng Chen	Qilu Children's Hospital of Shandong University
09:30 ~ 10:00	Value of Respiratory Endoscopy in Intensive Care Unit	Anne Goh	KK Women's and Children's Hospital, Singapore
10:00 ~ 10:30	Importance of Nursing Team in Endoscopy	Han Xiaorong	Qilu Children's Hospital of Shandong University
10:30 ~ 11:00	Interpretation of Chest Radiography in Endoscopy	Zeng Jinjin	Beijing Children's Hospital
11:00 ~ 11:30	Therapeutic Value of Thoroscopic Surgery in pediatrics	Wu Yurui	Qilu Children's Hospital of Shandong University
11:30 ~ 12:00	Early Therapeutic Value of Medical Thoracoscope for Lung Abscess	Zhou Hongmei	Zhongshan Hospital Attached to Guangdong Medical University
12:00 ~ 12:30	<b>Discussion</b>		

12:00 ~ 13:00	<b>Lunch</b>		
<b>Symposium II : Basic Knowledge of Pediatric Respiratory Endoscopy I Host : Daniel Ng Meng Chen</b>			
13:00 ~ 14:00	Diagnosis and Treatment of Laryngotracheal Stenosis	Hugo Botto	Paediatric Hospital Dr. Juan P. Garrahan, Argentina
14:00 ~ 14:30	Diagnosis and Treatment of Congenital Airway Deformity with Endoscopy	Meng Chen	Qilu Children's Hospital of Shandong University
14:30 ~ 15:10	Management of Pediatric Airway Foreign Bodies	Petr Pohunek	2nd Medical School of Charles University and University Hospital Motol, Czech
15:10 ~ 15:40	Sedation, Anesthesia and Difficult Airway	Wang Shaochao	Qilu Children's Hospital of Shandong University
15:40 ~ 16:00	<b>Discussion</b>		
<b>Symposium III: Basic Knowledge of Pediatric Respiratory Endoscopy II Host : Nelson Miu Meng Fanzheng</b>			
16:00 ~ 16:30	Indication and Roles of Flexible Endoscope, Reasons of Misdiagnosis and Missed Diagnosis	Meng Chen	Qilu Children's Hospital of Shandong University
16:30 ~ 17:00	Therapeutic Techniques of Endoscope	Ma Jing	Qilu Children's Hospital of Shandong University
17:00 ~ 17:30	Balloon Dilation and Cryotherapy	Mohammad Ashkan Moslehi	Shiraz University School of Medicine, Iran
17:30 ~ 18:00	Diagnosis and Treatment of Obstructive Bronchitis	Petr Pohunek	2nd Medical School of Charles University and University Hospital Motol, Czech
18:00 ~ 18:30	<b>Discussion</b>		
19:00 ~ 20:00	Dinner		

## 2017.03.04 ( Saturday )    Movie Room of Shandong Hotel

Symposium IV: Airway Stenting and Airway Management		Host : Soong Wenjue	Zhong Lili
08:00 ~ 08:30	Selection of Different Stents, Time and Different Techniques of Airway Stenting	Soong Wenjue	Taipei Veterans General Hospital
08:30 ~ 09:00	Management of Airway Stent, Time and Technique of Stent Removal	Soong Wenjue	Taipei Veterans General Hospital
09:00 ~ 09:30	Silicone Stenting in Pediatric Airway	Meng Chen	Qilu Children's Hospital of Shandong University
09:30 ~ 10:30	Airway Stents in Children: State of the Art	Juan L. Antón-Pacheco	Hospital Universitario 12 de Octubre de Madrid, Spain
10:30 ~ 11:00	Surgical and Endoscopic Treatment of Pediatric Airway Obstruction: Where are we now?	Juan L. Antón-Pacheco	Hospital Universitario 12 de Octubre de Madrid, Spain
11:00 ~ 11:30	Tracheostomy and Extubation, Laryngopharyngeal Reflux and Gastrostomy	Zhong Lili	Hunan Provincial People's Hospital
11:30 ~ 12:30	<b>Discussion</b>		
12:30 ~ 13:30	Lunch		

## 2017.03.05 ( Sunday )    Movie Room of Shandong Hotel

Symposium V: Extension of Interventional Pulmonology		Host : Mohammad Ashkan Moslehi	Ma Jing
08:00 ~ 08:30	Virtual Navigation, Endobronchial Ultrasonography with a Guide Sheath and Rapid On-site Evaluation(ROSE)	Meng Fanzheng	The First Hospital of Jilin University
08:30 ~ 09:00	Interventional Treatment and Management of Airway Burns	Bai Chong	Changhai Hospital Attached to The Second Military Medical University

**一、 Basic Knowledge of Pediatric Respiratory Endoscopy : Operations, while teaching**

**1. Introduction of Endoscope and Related Equipments**

**2. Anatomy in Brochoscopy**

**3. Basic Operation Skill of Bronchoscopy**

**4. Training of Hospital Infection Control**

**二、 Elementary Bronchoscopic Technology Hands-on Training on models : Bronchoscopy , Mucosal Biopsy , Brush , Lavage**

**三、 Basic Knowledge of Nursing in Pediatric Respiratory Endoscopy**

**1. Cooperation of Endoscopist and Nurse**

**2. Application of Forceps**

**3. Cleaning, Disinfection, and Leak Test of Endoscope**

**4. Maintenance of Equipments**

**12:00 ~ 13:00 Lunch**

**13:30 ~ 17:00 : Learning in turns**

**1. Oxygen,Airway and Ventilation Management - Soong Breathing Method : Hands-on Training by Prof. Soong Wenjue**

**2. Hands-on Training of Advanced Bronchoscopic Technology on models by Prof. Liu Xicheng, Meng Chen : Balloon Dilation, Electrocautery, Argon Plasma Coagulation(APC), Laser, Cryotherapy, Medical Thoracoscopy, Rigid Bronchoscopy, etc.**

**3. Hands-on Training of Laryngeal Mask**

**4. TBNA Hands-on Training on models by Prof. Ko-pen Wang , Meng Fanzheng**

**18:30 ~ 20:00 Dinner**

**2017.03.05 ( Sunday ) Laiwu Room of Shandong Hotel**

**08:00 ~ 11:00**

**1. Elementary Bronchoscopic Technology Hands-on Training on models : Bronchoscopy , Mucosal Biopsy , Brush , Lavage**

**2. Oxygen,Airway and Ventilation Management - Soong Breathing Method**

**3. Hands-on Training of Advanced Bronchoscopic Technology on Models : Balloon Dilation, Electrocautery, Argon Plasma Coagulation(APC), Laser, Cryotherapy, Medical Thoracoscopy, Rigid Bronchoscopy, etc.**

**4. Hands-on Training of Laryngeal Mask**

**11:30 ~ 14:00 : Live Video Transfer of Procedure Laiwu Room of Shandong Hotel**

**14:00 ~ 16:00 : Lecture on TBLB , Ultrafine Brush and ROSE by Feng Jing**

**16:00 ~ 16:30 Closing Ceremony of Hands-on Workshops**
