# DEAR DOCTORS,

This course aims to expand the conventional knowledge and competence of students & practicing pulmonologists in flexible bronchoscopic procedures. During this course the participants will be provided with the essential didactic lectures, step-by-step hands on training, exposure to live cases and practical guidance for understanding indications and contraindications of basic bronchoscopic procedures. In order to obtain adequate training/hands on sessions we have also limited the number of maximum participants to 25.

We look forward to meeting you at this masterclass course.

Course Coordinators:

**Dr. Tinku Joseph, MD, DM**  
Prof. & Head of Interventional  
Pulmonology

**Dr. Sreeraj Nair, MD**  
Consultant Interventional  
Pulmonologist
