HOSPITALS**

Cordially invites you to the  
**International Interventional Pulmonology**  
Virtual Meet

# LINEAR EBUS

AN UPDATE

October 17 & 18, 2020  
(Saturday & Sunday)  
07:00 PM (IST)  
08:30 AM (Chicago)  
03:30 PM (CEST)  
09:30 PM (Singapore)

ENDORSED BY

World Association for Bronchology & Interventional Pulmonology

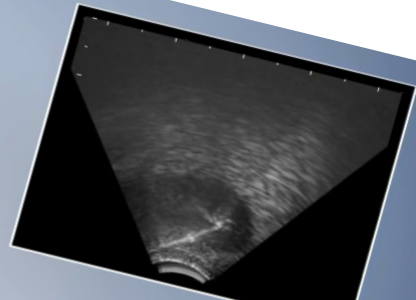

Chest Council of India

**HIGHLIGHTS**

Expert talk by international faculty from USA, Australia, Denmark and Singapore

Panel discussions on Real-World Challenges in EBUS

## PATRON'S MESSAGE

Technology has opened up new avenues of research, exploration and innovations thereby making the healthcare industry more effective and driven than it has ever been. As a result of the development of these brilliant innovations, healthcare experts continue to find ways to improvise diagnosis, surgical procedure, and improved patient care.

At Yashoda Hospitals, the Department of Interventional Pulmonology has a dedicated team of highly experienced Pulmonologists coupled with latest infrastructure and advanced technology which provides comprehensive treatment for a broad range of pulmonary diseases. We have the best facility in Interventional Pulmonology equipped with Vapor Ablation, Navigation Bronchoscopy, Bronchial Thermoplasty, EBUS, Cryoablation, Tracheobronchial Stenting and more. The role of bronchoscopy in the evaluation and treatment of respiratory disease has evolved dramatically over the last decade and it is an exciting time for interventional pulmonology (IP) and advanced bronchoscopy procedures.

It is with this very aim that Yashoda Hospitals is proud to organize an International Interventional Pulmonology Virtual Meet with primary focus on 'Linear EBUS: An Update'.

Our aspiration is to make this virtual meet an oasis for exchanging ideas with your peers, acquiring new knowledge in advanced therapeutic and diagnostic modalities, and staying up-to-date on trends and issues shaping our field.

We look forward to seeing you!

Best regards,

**Dr. G. Surender Rao**  
Managing Director  
Yashoda Group of Hospitals

## Dear Colleagues & Friends,

As a pulmonologist, at the outset I would like to congratulate you for your yeomen service at the frontlines during this COVID pandemic despite the obvious risks involved. Personally I am cautiously optimistic we are at the tail end of the pandemic with decreasing numbers and advances in treatment options and hopefully a vaccination soon.

Welcome everybody for a free one of a kind informative and interactive virtual Interventional Pulmonary Meet on October 17 & 18, 2020 with leading international faculty from across countries and continents besides the leading luminaries in the country.

The theme of the program is 'Linear EBUS: An Update'.

The aim of this scientific program is to equip you with everything about linear EBUS which is almost becoming as ubiquitous as CT scanning, ultrasound guided central lines etc and will be an essential requirement for every pulmonologist in the future. And hence unlike a short didactic on that, we bring you fantastic set of presentations spread over two days for an in-depth perspective and all you wanted to know about linear EBUS. We have the best faculty from USA, Denmark, Australia, Singapore besides the top faculty from across the country.

In addition to being an excellent forum for information sharing, the virtual meet will also provide a great networking opportunity for all the participants.

Yashoda Hospital from its humble origins 30 years ago, has over the years with focus on high quality patient care, service, supported by latest equipment, infrastructure and dedicated doctors and healthcare staff evolved to be among the premier healthcare providers in the country particularly in pulmonary department. We believe in shared and collaborative efforts for best outcomes and are glad to bring you this high quality webinar and would keep supporting similar efforts in the future too.

Please save the dates and be ready with any questions. Your presence will surely contribute to the enrichment of our discussion and your support will be highly appreciated.

Best regards,

**Dr. Pavan Gorukanti, MD, ABIM**  
Managing Director,  
Yashoda Hospitals

## IP VIRTUAL MEET - DIRECTOR

**Dr. Viswesvaran. B**  
Consultant Interventional Pulmonology  
Yashoda Hospitals, Malakpet, Hyderabad

## INTERNATIONAL FACULTY

**Dr. Paul Frost Clementsen**  
Senior Scientist at Copenhagen Academy for Medical Education and Simulation, Rigshospitalet Clinical Research Associate Professor at Department of Clinical Medicine, Copenhagen University. Consultant at Department of Internal Medicine, Zealand University Hospital, Roskilde, Denmark

**Prof. David Fielding**  
Director of Thoracic medicine  
Director of Bronchology and Interventional Pulmonology  
Royal Brisbane & Women's Hospital, Brisbane, Australia  
Treasurer and Board Member- World Association of Bronchology and Interventional Pulmonology (WABIP)  
Board member of the Asia Pacific Society of Bronchology.

**Dr. Kyle Hogarth**  
Professor of Medicine  
Director, Bronchoscopy  
Co-Director, Lung Cancer Screening Program  
Medical Director, Pulmonary Rehabilitation Program  
University of Chicago, USA

**Dr. Melvin Tay Chee Kiang**  
Consultant & Director of Interventional Pulmonology  
Department of Respiratory & Critical Care Medicine,  
Singapore General Hospital  
SingHealth DukeNUS Lung Centre  
Clinical Assistant Professor  
DukeNUS Medical School

**Dr. Ajay Wagh**  
MD, MS, FCCP  
Assistant Professor of Medicine (Pulmonology)  
University of Chicago, USA

**Dr. Takano A M**  
Director (Education)  
Senior Consultant Anatomical Pathology  
Singapore General Hospital

**Dr. Ida Skovgaard Christiansen**  
PhD-fellow at Department of Internal Medicine,  
Zealand University Hospital, Roskilde, Denmark &  
University of Copenhagen, Denmark

**Roel Verhoeven**  
Technical physician  
Dept. of pulmonary diseases,  
Radboudumc, the Netherlands

## NATIONAL FACULTY

**Dr. Deepak Talwar**  
Sr. Consultant & Chairman  
- Metro Respiratory Center  
Pulmonology & Sleep Medicine, Delhi

**Dr. Vijai Kumar R**  
Senior Consultant - Pulmonary Medicine  
Hyderabad

**Dr. Amita Nene**  
Sr. Consultant & Head,  
Dept of Pulmonary Medicine,  
Bombay Hospital & Medical  
Research Centre, Mumbai

**Dr. Murali Mohan**  
Sr. Consultant, Respiratory Medicine  
Mazumdar Shaw Medical Center,  
Bommasandra, Narayana Medical Centre,  
Langford Town, Bangalore

**Dr. Hari Kishan Gonuguntla**  
Consultant Interventional Pulmonologist  
Yashoda Hospitals, Secunderabad

**Dr. Arjun Khanna**  
Senior Consultant, Pulmonary Medicine,  
Yashoda Super Speciality Hospitals, Ghaziabad

**Dr. Ugandhar Bhattu. C**  
Consultant Pulmonary Medicine  
Yashoda Hospitals, Malakpet

**Dr. S Venkateswarlu**  
Sr. Consultant, Pulmonary Medicine,  
Khammam

**Dr. Vivek Vardhan**  
Consultant, Pulmonary Medicine,  
Hyderabad

**Dr. A. Raghavender Reddy**  
Senior Consultant, Pulmonary Medicine,  
Nalgonda

**Prof. JC Suri**  
Chairman, JCS Institute of Pulmonary,  
Critical Care & Sleep Medicine,  
Senior Consultant, Fortis Hospital, Delhi

**Dr. Raja Dhar**  
Director  
Pulmonology / Sleep Medicine  
Fortis Hospital, Kolkata

**Dr. Satish**  
Sr. Consultant, Pulmonary Medicine,  
Fortis & Vikram Hospitals, Bangalore

**Dr. V Nagarjuna Maturu**  
Consultant Interventional Pulmonology  
Yashoda Hospitals, Somajiguda

**Dr. Viswesvaran. B**  
Consultant Interventional Pulmonology  
Yashoda Hospitals, Malakpet

**Dr. Vishwanath Gella**  
Director & Senior Consultant  
Dept of Pulmonary Medicine,  
AIG Hospitals, Hyderabad

**Dr. K. Yugaveer Goud**  
Consultant Pulmonary Medicine  
Yashoda Hospitals, Malakpet

**Dr. G. Surender**  
Sr. Consultant, Pulmonary Medicine,  
Khammam

**Dr. Praveen**  
Consultant, Pulmonary Medicine,  
Karimnagar

**Dr. Arukonda Sreedhar**  
Consultant, Pulmonary Medicine,  
Warangal

## PROGRAMME SCHEDULE (IST)

### ◆ Day 1: October 17, 2020

TIMING	TOPIC	SPEAKER	CHAIRPERSON
07:00 pm - 07:05 pm	Introduction	Dr. Pavan Gorukanti (India)	
07:05 pm - 07:25 pm	Linear EBUS : An overview	Dr. Viswesvaran (India)	Dr. Pavan Gorukanti (India)
07:25 pm - 07:45 pm	EBUS in Malignant Mediastinal Lesions: An Update	Prof. David Fielding (Australia)	Dr. Deepak Talwar (India)
07:45 pm - 08:05 pm	EBUS in Benign Mediastinal Lesions: An Update	Dr. Melvin Tay (Singapore)	Dr. Amita Nene (India)
08:05 pm - 08:45 pm	EUS - B FNA: What a Pulmonologist Should Know?	Dr. Paul Frost Clementsen Dr. Ida Skovgaard (Denmark)	Prof. JC Suri (India)

### ◆ Day 2: October 18, 2020

TIMING	TOPIC	SPEAKER	CHAIRPERSON
07:00 pm - 07:05 pm	Introduction	Dr. Viswesvaran (India)	
07:05 pm - 07:25 pm	EBUS: Scopes & Needle	Dr. Kyle Hogarth (USA)	Dr. R. Vijay Kumar (India)
07:25 pm - 07:45 pm	EBUS: Sampling & ROSE: The Old and New	Dr. Angela Takano (Singapore)	Dr. Murali Mohan (India)
07:45 pm - 08:05 pm	EBUS - Elastography: Known & Unknown	Mr. Roel L. J. Verhoeven (Denmark)	Dr. Viswesvaran (India)
08:05 pm - 08:25 pm	EBUS in COVID Pandemic	Mr. Ajay Wagh (USA)	Dr. Satish (India)
08:25 pm - 08:45 pm	<p><b>Panel Discussion: EBUS: Real-World Challenges</b></p> <p><b>Moderator:</b> Dr. Raja Dhar</p> <p><b>Panelists:</b> Dr. Nagarjuna Maturu, Dr. Harikishan, Dr. Viswanatha Gella, Dr. Arjun Khanna, Dr. Ughandhar Bhattu, Dr. Yugaveer Goud, Dr. Viswesvaran</p>		

### Chat with Experts (An interactive Q & A session with experts)

Dr. Venkateshwaralu, Dr. G. Surendar, Dr. Vivek Vardhan,  
Dr. Praveen, Dr. Raghavender Reddy, Dr. Sreedhar
