

The World Association for Bronchology and Interventional Pulmonology

WABIP Advertising Opportunity

The WABIP newsletter is the official publication of The World Association for Bronchology and Interventional Pulmonology. This newsletter is sent to thoracic surgeons, bronchologists, pulmonologists and bronchoesophageal specialist medical professionals from over 30 countries, keeping them up to date on the latest technologies, research, and clinical advances in all fields of chest interventions.

The WABIP newsletter is delivered via email three times per year. It provides members with news, insights, advance notice of trends, case studies, and pragmatic real world advice about developments promoting the art and science of bronchology and interventional pulmonology.

This newsletter also provides advertisements to our readers. This is an opportunity to showcase your products and services in a professional and cost effective manner.

The following yearly fees apply.
